Day 1: (23 OCT 2022) Welcome to Tanzania (ARRIVAL DAY IN TANZANIA)

This is the start of your Africa trip, and you will arrive this day in Tanzania (JRO airport). Upon arrival, you will be picked up by a driver who will be waiting for you just outside the airport doors at Mt. Kilimanjaro Airport (JRO) in Tanzania. After going through arrival formalities, exit the airport to meet your driver who will drive you to Arusha. Dinner and overnight at an Arusha Area Hotel.

Africa....

It should come with a disclaimer, as you will fall in love with it and it will literally touch your soul and draw you back, again and again.....

Day 2: (24 OCT 2022)

Today starts your safari. After breakfast, you drive from Arusha for a cultural experience like no other! You will learn about the Maasai and stay in a Maasai Lodge enjoying their culture, hospitality and engaging in activities, like spear throwing, nature walks, or maybe ride a donkey and visit their homes/Bomas. Tonight you will stay in a Maasai Lodge like no other!

Day 3: (25 OCT 2022)

After breakfast this morning, you have time to engage in a few activities or just relax before continuing towards Mto wa Mbu and Karatu. You can stop at a local market if you wish, view roadside banana markets and the ever interesting local life as you enjoy the drive. Tonight you will stay a single night in Karatu, to be close to the fertile highlands and mist-shrouded rainforests of the Ngorongoro Conservation area. Overnight in a Karatu area lodge.

Day 4: (26 OCT 2022)

Rise and shine! Today you will start your day early. After breakfast, you will depart with a boxed lunch and drive into Ngorongoro Crater, for a morning game drive on the crater floor. This crater is the world's largest intact caldera in the world. Ngorongoro Crater shelters close to 30,000 animals including the Big Five. The crater teems with zebras, buffaloes, lions, wildebeest, baboons, elephants, flamingos, ostriches, hippos, cheetahs and also the rare black rhino. The beautiful colors and dancing clouds make the crater almost surreal. Because of its natural beauty the Ngorongoro Crater is chosen as one of Africa's Seven Natural Wonders. Once you exit the crater, you will drive to the Serengeti where you will game drive in to your tented camp for the night. This night will be an amazing experience to sleep under canvas in the wild. There are no fences and you have the ability to hear lions roar and hyenas laugh as they pass by your tent. Serengeti Tented Camp, inside the National Park.

Day 5: (27 OCT 2022)

Should you wish to opt for a hot air balloon ride to watch the sunrise over the Serengeti, your day will start even earlier (about 5AM), where you will see game from the air and a privileged perspective of the wildlife and terrain, not visible from land. Game drives continue all afternoon. You will spend another night in your tented camp for dinner and overnight, to enjoy the evening fire, while watching the sun set over the African savannah. Serengeti Tented Camp, inside the National Park.

Day 6: (28 OCT 2022)

After breakfast at your tented camp, you will embark on your final game drive in the iconic Serengeti.
